MATERIAL SAFETY DATA SHEET HYDROPRO NURSERY GRANULAR

PRODUCT IDENTIFICATION

Product Name: **HYDROPRO NURSERY GRANULAR**

Synonyms: Granular Wetting Agent

Poisons Schedule: N/A Class: N/A Sub Risk: N/A

UN#: N/A Hazchem Code: N/A

Ingredients: Inert carrier and a proprietary mixture of “Surfactant Type” Soil Wetting Agents.

Uses: A wetting agent that effectively decreases water surface tension. This action aids in the re-wetting of dried soils and allows free drainage from water logged soils.

This granular formulation features immediate action as a top dress application and improved efficacy over an extended time period.

PHYSICAL DATA

Appearance:	Solid, Granular
Solubility in Water:	N/A
Boiling Points:	N/A
Vapor Pressure MM(Hg):	NIL
% Volatiles:	NIL
Vapor Density:	N/A
Auto ignition Temperature:	N/A
Flash Point:	Non Flammable
Specific Gravity:	N/A
Melting Point:	N/A
Flammability Limit(%):	N/A

HEALTH HAZARD

Ingestion: This material is non-toxic if ingested. Ingestion of large amounts may produce slight gastro, intestinal upset and diarrhea.

Eye Contact: Mild Irritant.

Skin Contact: This material is not a skin irritant. Prolonged or repeated exposure may produce some irritant.

Inhalation: Not expected to be a health hazard via inhalation.

Overexposure: None known for this product.

FIRST AID

Ingestion: In case of ingestion, give one to two glassed of water. Seek medical advice.

Eye Contact: Hold eyelids apart and irrigate thoroughly with large quantities of water for 15 minutes.

Seek medical advice if irritation persists.

Skin Contact: For skin contact, wash affected area(s) with soap and water. Seek medical attention if irritation develops.

Inhalation: Not expected to require first aid measures.

PRECAUTIONS FOR USE

Stability: Stable.

Incompatibility: Strong Oxidizers.

Ventilation: In general, natural ventilation is a satisfactory health control for this product. If dust generation occurs exhaust and or respirators should be used.

Respiratory Protection: Approved Dust Mask or Cartridge Respirator.

Protective Clothing: Safety Glasses with side shields should be worn.

SAFE HANDLING INFORMATION

Storage: Store in a moist free and dry area where the temperature is moderate and reasonably stable.

Action for Spills: Pick-up spills and re-pack.

Disposal Method: Dispose as normal waste (Landfill).

FIRE/EXPLOSIVE

Extinguishing Media: Same as surrounding fires.

Decomposition Products: None Known.

Other Information: Not considered to be a fire or explosion hazard.

Disclaimer: Ultra Naturals Fertilizers cannot anticipate all conditions under which this information and its product, or the products of other manufacturers in combination with its product, may be used. It is the user's responsibility to ensure safe conditions for handling, storage and disposal of the product, and to assume liability for loss, injury, damage or expense due to improper use. The information in the sheet was written based on the best knowledge and experience currently available.
