MATERIAL SAFETY DATA SHEET HYDRALOC

PRODUCT IDENTIFICATION

Product Name: **HYDRALOC**

Synonyms: Soil conditioning product

Poisons Schedule: N/A Class: N/A Sub Risk: N/A
UN#: N/A Hazchem Code: N/A

Ingredients: A proprietary mixture of processed natural clays and absorbent

Uses: A soil conditioning product to increase water and fertilizer holding capacity of soils. Permanent benefits and functionally active from the first day.

PHYSICAL DATA

Appearance:	Light coloured powders or granules
Solubility in Water:	Insoluble
Boiling Points:	N/A
Vapor Pressure MM(Hg):	NIL
% Volatiles:	NIL
Vapor Density:	N/A
Auto ignition Temperature:	N/A
Flash Point:	N/A
Specific Gravity:	N/A
Melting Point:	N/A
Flammability Limit(%):	N/A

HEALTH HAZARD

Ingestion: This material is non-toxic if ingested. Ingestion of large amounts may produce slight gastrointestinal upset and diarrhea.

Eye Contact: Mild Irritant.

Skin Contact: This material is not a skin irritant. Prolonged or repeated exposure may produce some irritant.

Inhalation: Not expected to be a health hazard via inhalation.

Overexposure: None known for this product.

FIRST AID

Ingestion: In case of ingestion, give one to two glasses of water. Seek medical advice.

Eye Contact: Hold eyelids apart and irrigate thoroughly with large quantities of water for 15 minutes.

Seek medical advice if irritation persists.

Skin Contact: For skin contact, wash affected area(s) with soap and water. Seek medical attention if irritation develops.

Inhalation: Not expected to require first aid measures.
